13.03.2023

Report: Pi Day

Date: 13th March 2023

Venue: Room No: 2, CAS College, Madayi

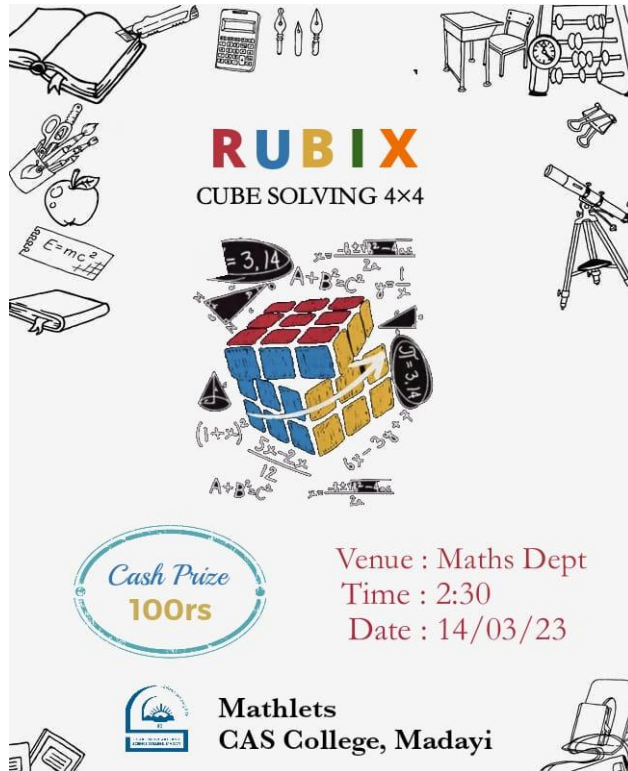

The Department of Mathematics celebrated Pi Day with great enthusiasm by organizing a series of exciting competitions for students in the college. The event, held on March 14th, aimed to promote mathematical awareness and problem-solving skills among students. The competitions included Sudoku solving, Rubik's Cube, and a treasure hunt, all of which were carefully designed to test the students' mathematical prowess and logical thinking. The students participated with zeal and enthusiasm, showcasing their mathematical skills and vying for top honors. The event was a resounding success, with participants and spectators alike enjoying the fun and competitive atmosphere. The celebration not only marked the significance of Pi Day but also reinforced the importance of mathematics in our daily lives.
